Background

2. Individuals who act on behalf of an organization have a duty first to that organization and second to any personal stake they have in the operations of the organization. Board members, and other stakeholders, must not put themselves in positions where making a decision on behalf of the organization is connected to their own personal interests. That would be a conflict of interest situation.

Purpose

3. BLRC strives to reduce and eliminate nearly all instances of conflict of interest at BLRC – by being aware, prudent, and forthcoming about the potential conflicts. This Policy describes how Representatives will conduct themselves in matters relating to conflict of interest, and will clarify how Representatives shall make decisions in situations where conflict of interest may exist.
4. This Policy applies to all Representatives.

Obligations

5. Any real or perceived conflict of interest, whether pecuniary or non-pecuniary, between a Representative’s personal interest and the interests of BLRC, shall always be resolved in favour of BLRC
6. Representatives will not:
 - a) Engage in any business or transaction, or have a financial or other personal interest,

that is incompatible with their official duties with BLRC, unless such business, transaction, or other interest is properly disclosed to BLRC and approved by BLRC

- b) Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration or who might seek preferential treatment
- c) In the performance of their official duties, give preferential treatment to family members, friends, colleagues, or organizations in which their family members, friends, or colleagues have an interest, financial or otherwise
- d) Derive personal benefit from information that they have acquired during the course of fulfilling their official duties with BLRC, if such information is confidential or not generally available to the public
- e) Engage in any outside work, activity, or business or professional undertaking that conflicts or appears to conflict with their official duties as a representative of BLRC, or in which they have an advantage or appear to have an advantage on the basis of their association with BLRC
- f) Without the permission of BLRC, use BLRC property, equipment, supplies, or services for activities not associated with the performance of their official duties with BLRC
- g) Place themselves in positions where they could, by virtue of being a BLRC Representative, influence decisions or contracts from which they could derive any direct or indirect benefit
- h) Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being an BLRC Representative

Disclosure of Conflict of Interest

7. On an annual basis, all BLRC Board Members and candidates for election to the Board, Directors, Officers, Employees, and Committee Members will complete a **Declaration Form** disclosing any real or perceived conflicts that they might have to the best of their knowledge. Representatives shall also disclose any and all affiliations with any and all other rowing organizations. These affiliations include any of the following roles: rower, coach, manager, official, employee, volunteer or Board Member. Declaration Forms shall be retained by the BLRC Board.
8. Representatives shall disclose real or perceived conflicts of interest to BLRC Board of Directors immediately upon becoming aware that a conflict of interest may exist.

Minimizing Conflicts of Interest in Decision-Making

9. Decisions or transactions that involve a conflict of interest that has been proactively disclosed by a BLRC Representative will be considered and decided with the following additional provisions:
 - a) The nature and extent of the Representative's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded or noted
 - b) The Representative does not participate in discussion on the matter
 - c) The Representative abstains from voting on the decision
 - d) For Board-level decisions, the Representative does not count toward quorum

- e) The decision is confirmed to be in the best interests of BLRC
10. For potential conflicts of interest involving employees, the BLRC Executive Committee will determine whether there is a conflict and, if one exists, the employee will resolve the conflict by ceasing the activity giving rise to the conflict. BLRC will not restrict employees from accepting other employment contracts or volunteer appointments provided these activities do not diminish the employee's ability to perform the work described in the employee's job agreement with BLRC or give rise to a conflict of interest.

Conflict of Interest Complaints

11. Any person who believes that a Representative may be in a conflict of interest situation should report the matter, in writing (or verbally if during a meeting of the Board of Directors or any BLRC committee), to the BLRC Executive Committee. Unless the complaint involves members of the Executive, the Executive will be responsible for handling the complaint. The following actions may be applied singly or in combination for real or perceived conflicts of interest:
- a) Removal or temporary suspension of certain responsibilities or decision-making authority
 - b) Removal or temporary suspension from a designated position
 - c) Removal or temporary suspension from certain BLRC teams, events and/or activities
 - d) Expulsion from BLRC
 - e) Other actions as may be considered appropriate for the real or perceived conflict of interest
12. If the complaint is handled by the Executive Committee, prior to taking any action the Executive Committee will brief the Board on its findings.
13. Any person who believes that a Representative has made a decision that was influenced by real or perceived conflict of interest may submit a complaint to any member of the Board of Directors
14. Failure to comply with an action as determined by the Board of Directors will result in automatic suspension from BLRC.
15. The Executive Committee may determine that an alleged real or perceived conflict of interest is of such seriousness as to warrant suspension of designated activities pending a meeting and a decision of the Executive, or the Board of Directors if the complaint is handled by the Board.
